**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I strongly support broadband competition. Im a resident with Sonic service in San Francisco. In order to switch to Sonic for my internet and home telephone, it required AT&T visit my apartment complex to enable the fiber network connection. Im very happy with the better pricing and service provided by Sonic and think regulations that enable access to other service providers besides AT&T should be maintained.
